Same Problem

Waking Ashland

Oh no, the battle forms inside
And I speak, but you don't see the signs
My heart aches, leaving me here to hide
My world shakes, until you assure meOh no, there goes composure
Over and out to sea
Oh no, this won't control me
But it seems to get the best of meThe same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder, oh why, oh whyOh no, I'm crossing my fingers
In hopes, you will not leave me
Far away, the silence it burns me
As I wait, the tension buildsThe same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonderOh why, can't I move forward?
Oh why, does my mind wander?
Oh why, does my heart desire you?The same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonderThe same problem, coming to haunt me again
And I know it's taken the best of my head
The same problem tears me to pieces inside
And I'm left to wonder, oh whyOh no, there goes composure
