Sweet Miracle

Rush

I wasn't walking on water
I was standing on a reef
When the tide came in
Swept beneath the surface
Lost without a trace
No hope at all
No hope at allOh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Of lifeI wasn't walking with angels
I was talking to myself
Rising up to the surface
Raging against the night
Starless nightOh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Love's sweet miracle
Of lifeOh, salvation
Oh, salvation
Oh, salvation
Oh, salvationI wasn't praying for magic
I was hiding in plain sight
Rising up from the surface
To fly into the light, into the lightOh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Of lifeOh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Oh, sweet miracle
Of life
