somebody to love

Nelly Furtado

You got your ways and I've got mine
It's taking up all of my time
Waiting for you to adore me
Come sit and drink from a cup
Don't leave until you're full up
You're tired of all of your travellingI don't need nothing at all
Nothing but your kiss
Nothing but your arms
I don't need nothing at allBut somebody to love
Somebody to hold
Somebody that I can feel in my blood
Somebody to hold
Somebody to own
Somebody to make me feel I'm in loveI know I'm missing for a word
I'm not trying to say a thing
I'm trying to live in this moment
Count all the sins, what it says
Tell me how long it'll take
To unravel your bodyI don't need nothing at all
Nothing but your touch
Nothing but your hand
I don't need nothing at allBut somebody to love
Somebody to hold
Somebody that I can feel in my blood
Somebody to hold
Somebody to own
Somebody to make me feel I'm in loveI need somebody to love
Somebody to hold
Somebody that I can feel in my blood
Somebody to hold
Somebody to own
Somebody to make me feel I'm in love
