Loose Ends

Jackson United

You don't know who you are
I don't know where I've been
I went thru hell
To get this heavenWe were up on a roll
It's a long way down again
Thru thick and thin
Begin againSlowly into sway
On a sweet decayNeon light mirror
An unsteady hand
Unsteady error
Knocked back againCover me my friends
Thru my loose ends
Cover me my friends
I live this over and over again
