# Pea

## Codeine

I'm a little pea
I love the sky and the trees
I'm a teeny tiny little ant
Checkin' out this and thatAnd I am nothing
So you have nothing to hide
And I'm a pacifistSo I can fuck your shit up
Oh yeah, I'm small
Oh yeah, I'm smallFuck you, asshole
You homophobic redneck dick
Big and tough and machoYou can kick my ass
So fucking what? So fucking what?
So fucking what? So fucking what?
