Call Me On Your Way Back Home

Ryan Adams

Oh baby why do I miss you like I do
Oh I miss my sweet
And the birds all singing blue
And white
And whiteCall me on your way back home, dear
Cause I miss you
Honey I ain't nothing newOh baby why did I treat you like I did
Honey I was just a kid
Bubblegum on my shoe
But you love me and I love youCall me on your way back home, dear
Cause I miss youAnd I just wanna die without you
Oh I just wanna die without you
Yeah I just wanna die without you
Without you Honey I ain't nothing new
