East Bay

NOFX

Get out of my way
Can't you see im from East Bay
I Know Blatz, down with E.B.U.
I bet I got way more piercings than youI just love this town
My girlfriend weighs 84 pounds
Met her at the New Method wher I get in for free
She don't pay rent neither do me
(hey hey hey)When we go out tonight
Gotta get my hair just right
Prodius pads with 2 inch sole
I'll get my picture with Murray BowlesGotta get those flyers out
Might get signed to lookout
After that i'll go far
Fame, Fortion, D.M.R.
