Ain't Nothing You Can Do

Van Morrison

When you got a headache
An you try to soothe the pain
Go right back to sleep
And you'll feel all right againWhen ya got a backache
Little rubbin' will see you through
When you got a heartache
There ain't nothin' you can doThere ain't nothin' you can do
There ain't nothin' you can doWhen you got a heartache
There ain't nothin' you can doA man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tries another pickAn electric lights go out
Candle light will see you through
When you got a heartache
There ain't nothin' you can doThere ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do
HeyMan can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tried another pick'Lectric lights go out
A candle light will see you through
When ya got a heartache
There ain't nothin' you can doThere ain't nothin' you can do, Lord
There ain't nothin' you can do, hey
When you got a heartache
There ain't nothin' you can doEvery time I think about it
Every time I think about it
When ya got a heartache
There ain't nothin' you can doEvery time I think about it
Every time I think about it
Every time I think about it
