Bring out the liquid, bring out the lot
If not, let's roll her to a car washNow washin' you will be like washin' a goth
Put out that black lipsticks 'round their gobs

I think this is gonna be a very hard jobHow did ya get a tan like that in winter?
Ya ran off to boots, got a box of tinter
Didn't ya see you still got orange fingers?What network are you on? Orange
Color of your bathwater? Orange
