Something In The Way

Nicolai Dunger

underneath the bridge the tap has sprung a leak and the animals i've trapped well they've all become my pets. and i'm livin off the grass and drippin's from my ceiling but it's ok to eat fish cos' they don't have any feelings. something in the way.mmm. something in the way. yeh! something in the way.mmm. something in the way. yeh! something in the way.mmm. something in the way. yeh!
