# Fly to the Angels

## Slaughter

Pictures of you
Oh they're still on my mind
You had this smile
That could light up the world
Now when it rains it seems
The sun never shinesAnd I drive
Down this lonely, lonely road
Oh I got this feelin'
Girl I gotta let you go
Cause now you've to fly (fly high)
Fly to the angels
Heaven awaits your heart
And flowers bloom in your name
Woahh oh
You've got to fly (fly high),
Fly to the angels
All the stars in the night
Shine in your nameThough it hurts me way deep inside
When I turn and look and find
That your not there
I try to convince myself
But the pain,
The pain is still not gone
Still I drive
Down this lonely, lonely road
Oh I got this feeling,
Girl I've got to let you goBut now you've got to fly (fly high)
Fly to the angels
Heaven awaits your heart
And flowers bloom in your nameWhoa
You've got to fly (fly high)
Fly to the angels
All the stars in the night
Shine in your nameFlyAnd still I drive down
This lonely, lonely road
Oh I got this feeling
Oh, I can't let you goBut I know
That you've got to fly (fly high)
Fly to the angels

Heaven awaits your heart
And flowers bloom in your name
Whoa oh oh oh
You've got fly (fly high)
Fly to the angels
All the stars in the sky
Shine in your name, yeahOw
Oh oh oh oh oh oh
Baby, oh
Oh oh oh oh oh oh
Oh yea
Oh oh oh oh oh ohI'm gonna miss you
