Coming Home

2 Skinnee J's

I'm coming home, I'm coming homeI'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soonI'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
I'm lickin' my wounds in hotel rooms
Breathin' in fumes but I'll be there soon
