Down

Marian Hill

Didn't even really wanna go
But if you get me out, you get a show
There's so many bodies on the floor, so
Baby, we should go and add some more
Are you down, d-d-down, d-d-down, d-d-down, down, down?
Down, d-d-down, d-d-down, d-d-down, down, down?
Everywhere I look are peoples' hands
Thrown up in the air to help them dance
Come on, baby, catch me if you can, I
Know you don't have any other plans
Are you down, d-d-down, d-d-down, d-d-down, down, down?
Down, d-d-down, d-d-down, d-d-down, down, down?Are you
Down, down, d-down, down
Are you down
Down, down, d-down, down
Are you down, are you down, are you d-d-d-down
Are you down, are you down, are you d-d-d-down, are you
DownYou know we could put them all to shame
Now isn't the time to play it safe
Isn't this the reason that you came, so
Baby, don't you let it go to waste
Are you down, d-d-down, d-d-down, d-d-down, down, down?
Down, d-d-down, d-d-down, d-d-down, down, down?
Every single thing is feeling right
Started as a quiet Friday night
I don't really think that we should fight this
What if we don't stop until it's light?
Are you down, d-d-down, d-d-down, d-d-down, down, down?
Are you down, d-d-down, d-d-down, d-d-down, down, down?Are you, down, down, d-down, down
Down, down, d-d-d-down
Are you down, are down, are you d-d-down
Are you down, are down, are you d-d-down, are youAre you, are you, are you d-down-down
Are you, are you d-d-d-down, are youDown, down, d-down
Down, down, d-downAre you down, are down, are you d-d-down
Are you down, are down, are you d-d-down, are youAre you down, are down, are you d-d-down
Are you down, are down, are you d-d-down, are youDown?
