I'm Shakin'

Rooney

Well I've forgot to what it feels like
To feel normal, to be normal
And I've forgot to what food tastes like
The way it tastes right, the taste buds taste right
When I wake up in so much spit and sweat
It is not normal, well what is normal?
Well I go to bed, oh when I wake up
And after cleaning all, all the spit and sweat
Now I'm, now I'm I'm sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm now
I tossed and turned all night 'cause I
'Cause I was looking for, for an ending
This was so because, because I watched all day
The never ending story with atrayu
The next day came but not a beam of light
Because the blinds were shut
Sha-sha-sha-shut so tight
Well I fell out of bed, laced with spit and sweat

It made me very cold, it made me very cold
Now I'm, now I'm sha sha shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin
I'm supposed to feel better
This nightmare supposed to end
I'm holding on, I'm holding on
I'm holding on, I'm holding on
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm now yeah
Now yeah
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm
Sha-sha-shakin, sha-shakin' I'm

Sha-sha-shakin, sha-shakin' I'm
