Deadbeat

The Cootees

You give me rules that you tell me I must obey
But I don't want to follow what you have to say
I'm old enough to make deciesions for myself
And thats what I'm gonna do not you
And now I know I can't fight
The fact that you were wrong and I'm right
I have to change my life to make you happy
and I feel so incomplete
I feel dead Ifeel beat
I have to get out and be me to bring myself up again
You tell me no I tell you yes thats how its always been
Your rules are like aluminum they're so easy to bend
I'm old enough to make decisions for myself
and thats what I'm gonna do not you
