Superman

R.E.M.

I am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anythingYou don't really love that guy
You make it with now do you
I know you don't love that guy
'Cause I can see right through youI am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anythingIf you go a million miles away
I'll track you down girl
Trust me when I say I know
The pathway to your heartIf you go a million miles away
I'll track you down girl
Trust me when I say I know
The pathway to your heartI am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anythingI am, I am, I am Superman
And I know what's happening
I am, I am, I am Superman
And I can do anything
