TWISTED

Murdaball

[Intro:]
oh, oh, oh
oh, oh, oh
(ah... oh)
so crazy boy
(so crazy boy)
so crazy boy
(so crazy boy)
I don't know if I done told you
but you got me going so crazy boy

[Hook:]
it's the things that you do
when you doing the things that you doin'
(oh...)
temperature's rising
you're so appetizing
my boat's capsizing
(oh)
dammit this feeling
I can't help but feeling that this could be real
and... (oh, oh, oh, oh)
it's so amazin'
my heartbeat is racin'
when I see your face and...
all I know is I...
all I know is I, I'm in the zone
and I'm writing this song for you

[Chorus:]
boy you got me all twisted, twisted up
boy listen up
you got me thinking I just might miss
(might miss the bus)
boy twisted up
oh you've got me all twisted, twisted up
boy listen up
all I know is I...
all I know is I, I'm in the zone

and I'm writing this song for you

[Verse 1 (Christina Milian):]
you and I liking touching fire
practically blazing the whole place down
have it feel so good
turn up the heat a little higher
turn up the music; little louder
I just can't get enough of you
oh boy
it's the things that you do
when you do what you doing
(oh...)

[Hook]

[Chorus]

[Verse 2 (Christina Milian):]
everything about you I'm craving
oh baby I'm saving my love for you (oohh...)
when I see you I get so excited
my light just ignites when I'm here with you
'cause my night turns to day when I'm seein' your face
all my troubles just go away
(Oh)
it's the things that you do
when you doing, yeah...
boy you got me so...

[Chorus (repeat 'til fades):]
boy you got me all twisted, twisted up
boy listen up (boy you got me so)
you got me thinking I just might miss
(might miss the bus)
boy twisted up
oh you've got me all twisted, twisted up
boy listen up
all I know is I...
all I know is I, I'm in the zone
and I'm writing this song for you
boy you got me all twisted, twisted up
boy listen up
you got me thinking I just might miss
(might miss the bus)

boy twisted up
oh you've got me all twisted, twisted up
boy listen up
all I know is I, I'm in the zone
and I'm writing this song for you
