# Peace Of Soul

## Bro'Sis

I will always stay
myself, go my way
live me dream 'till I have found you never let you go
it's my wish, my goal
to find my peace of soul!So many things, that I hide
like a flower that grows inside
comes out of my mouth,
when I sing my song
trust in my words and
try to go onYeah, yeah
I felt the love it was destiny
all inclusive harmoniy
I knew right then it was ment to be
YeahhhI will always stay...Have to find your peace of soul
to get you into your inner control
you get it in your own way
important is that in the end you can sayAll I had walked away from me
I was to blind to see reality
the pain that lingers on inside my heart
will I know one day from me departBro'Sis help me sing
goin' my wa not matter what they say
Ooooooh
struggle als I do it
'til the very last day
'til the very last day
YeahhhhI will always stay...(stern)RAP:
Peace, the definition of tis slow jam
what's my mother-fuckin' way 2 go i don't know
watch the programm while I must and gotta trust
and 2 keep my peace of mind and lemme
bust and listen look up 2 a friend it
gotta be life ist the bomb only if you
let me be, I'll be myself and go my way
so face reality and find my peace of soulI will always stay...And now I'm cool with you
and now I'm cool with you...
listen, I don't know
let me know!
