Disco Medley

Selena

Last chance, last chance for love
Yes, it's my last chance for romance tonight
I need you by me, beside me, to guide me
To hold me, to scold me'Cause when I'm bad, I'm so, so bad
So let's dance the last dance
So let's dance the last dance
So let's dance the last dance tonightLast dance, last dance for love
Yes, it's my last chance for romance tonight
I need you by me, beside me, to guide me
To hold me, to scold me'Cause when I'm bad, I'm so, so bad
So let's dance the last dance
So let's dance the last dance
So let's dance the last dance tonightDo the hustleBreak it down, let me hear some grits
Someone found the letter you wrote me on the radio
And it said exactly how you felt
It must've fallen out of the holeIn your old brown overcoat
It never said your name but I knew who they meant
I was so surprised and shocked and I wondered too
If by chance you heard it for yourselfI never told a soul just how I've been feeling over you
But they said it really loud, they said it on the air
On the radio, whoa, oh, oh, on the radio
On the radio, whoa, oh, oh, on the radio
On the radio
