Space Dementia

Ctrl-Z

[Incomprehensible] is the one for me
It gives me all I need
Helps me co-exist with the chillYou make me sick because I adore you so
I love all the dirty tricks
And twisted games you play on meSpace dementia in my eyes
Peace will arise and tear us apart
And make us meaningless againYou'll make us wanna die, I'd cut your name in my heart
We'll destroy this world for you
I know you want me to feel your painSpace dementia in your eyes
Peace will arise and tear us apart
And make us meaningless again
