Let Me Sleep

Pearl Jam

Cold wind blows on the soles of my feet
Heaven knows nothing of me
I'm lost nowhere to go
Oh when I was a kid oh how magic it seemed
Oh please let me sleep it's Christmas time
Flowered winds was where I lived
Thought you burned not froze for your sins
Oh I'm so tired and cold
Oh when I was a kid oh how magic it seemed
Oh please let me sleep it's Christmas time
Oh oh when I was a kid oh how magic it seemed
Oh please let me sleep it's Christmas time
Oh oh when I if I was a kid oh how magic it seemed
Oh please let me dream it's Christmas time
