Go Fuck Yourself

Born Against

Advisory - the following lyrics contain explicit language:

I would like to crush your pointed head You fucking puke I think you wet the bed I would like to punch your stupid face Grab you by your punk rock hair and bash your brains I've never met someone as dumb as you You're an ingrate and an arrogant prick too You jump at every single chance to display your ignorance You stupid bigmouth Why don't you just go home and fuck yourself Can't take a hint You're a dick A walking, talking piece of shit You're also a slob and you've got no class and you need a kick in your fat ass You fucking moron why don't you just go home and fuck yourself
