Nuclear

Kriegsmaschine

This is where the summer ends
In a flash of pure destruction, no one wins
Go nuclear, nuclear
The violets in my eyelids goin' red
Sentimental geek
Shut up and go to sleep
The calm, the beach and the remains
Of the bathing suits and porches all in flames
Go nuclear, nuclear
When I saw her and the Yankees lost to the braves
Sentimental geek
Sentimental geek
Sentimental geek
Shut up and go to sleep
Give me an answer
Give me an answer
Give me an answer
Give me an answer
Give me love
Give me love
