Dream Baby

Cher

I found the boy for me
He's my dream babyHe doesn't know that I
That I almost die when
When he walks by & says hello
He's unlike the guys in books, he's
Not really great on looks, but
But I don't care, I love him soI feel so good whenever he's around
Feel so good when he's around
Woo oh oh oh, I dream of him each night, I
Dream that he holds me tight and
Somehow make that dream come trueI'm gonna pray for the
Pray for the day he says
"Hey, pretty baby, I love you"I feel so good whenever he's around
Feel so good when he's aroundFeel so good whenever he's around
Feel so good when he's around
Woo oh oh oh, I dream of him each night, I
Dream that he holds me tight and
Somehow make that dream come trueI'm gonna pray for the
Pray for the day he says
"Baby, I love you"Wo oh oh, wo oh oh, "I love you"
