

Safe and Sound

Megan Hilty

I remember tears streaming down your face
When I said I'll never let you go!
When all those shadows almost killed your light!
I remember you said, "don't leave me here alone!"
And all that's dead and gone and passed tonight! [Chorus:]
Just closed your eyes, the sun is going down
You'll be alright, no one can hurt you now
Come morning light, you and I will be safe and sound! Don't you dare look out your window,
Darling everything's on fire!
The war outside our door keeps ranging on
Hold on to this lullaby
Even when the music's gone, gone! Just closed your eyes, the sun is going down
You'll be alright, no one can hurt you now
Come morning light, you and I will be safe and sound!
Uh, uh, uh, uh Just close your eyes
You'll be alright
Come morning light, you and I will be safe and sound
