I Need You

The Muffs

I need you so bad, yeah
It's not a lot for me to ask of you to lend a helping handI need you right now, yeah
In every day and every way to love you, yeah, I don't know howYou don't want to take the time for the clearing of my mind
Yeah, it's just a waste of timeI need youSomething always snaps at me whenever you're near
Something always snaps at me whenever you're nearSomething always snaps at me whenever you're near
Something always snaps at me whenever you're nearI need you
I need you
I need you
