Fast As I Can

Erin Mckeown

From the first "Hello" you gave to me
I've done nothin' else but smile
And I know you're in a hurry
But it's gonna take a while
So forgive me if we go slow
But there's somethin' I think you should know
I'm goin' fast as I can, please don't make me rush
This feeling's comin' on way too fast
I'll tell you all of the things that you'll never forget
But I'm not ready to say "I love you" yet
I'm not ready to say "I love you" yet
Don't push me in too deep
I've always been the fool who rushes in
I know you've got to take the pieces one by one
For you've got everything
So forgive me if we take time
But there's somethin' that's been on my mind
I'm goin' fast as I can, please don't make me rush
This feeling's comin' on way too fast
I'll tell you all of the things that you'll never forget
But I'm not ready to say "I love you" yet
I'm not ready to say "I love you" yet
Oh, there'll be times when I'm mistaken
Oh, there'll be times when we're gonna fight
But you needn't doubt, we can work it out
And in time, we'll get it right
So forgive me if we go slow
But there's somethin' I think you should know
I'm goin' fast as I can, please don't make me rush
This feeling's comin' on way too fast
I'll tell you all of the things that you'll never forget
But I'm not ready to say "I love you" yet
I'm goin fast as I can, please don't make me rush
This feeling's comin' on way too fast
I'll tell you all of the things that you'll never forget
But I'm not ready to say "I love you" yet
I'm not ready to say "I love you" yet
From the first "Hello"
