Sing It

Rebecca Black

[Intro]
Woah-oh Woah-oh-oh-oh
Woah-oh Woah-oh-oh-oh
Woah-oh Woah-oh-oh-oh
Woah-oh Woah-oh-oh[Verse 1]
That familiar voice
It speaks to me
Tells me everything is gonna be ok
Its meant to, meant to be
Sun is out
And the darkness fades
Got my headphones on and Im under
In a dream but I'm wide awake
Woah-oh Woah-oh-oh-oh
[Chorus]
Turn it up, turn it up
Play it aloud
Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah
Its alright, its alright
We'll Be Alri-i-i-ight
Turn it up, turn it up
I feel ya now
Sing it from the heart
Sing it from the heart, yeah, yeah, yeah, yeah
Its alright, its alright
Be alright
[Verse 2]
On brighter days
You make me smile
When Ive got you here with me
I could walk a million, billion miles
Im dreaming again
So get outta my way
Life goes fast, so you gotta make it last
No matter what they say
Woah-oh Woah-oh-oh-oh
[Chorus]
Turn it up, turn it up

Play it aloud
Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah
Its alright, its alright
Alri-i-i-ight
Turn it up, turn it up
I feel you now
Sing it from my heart
Sing it from my heart, yeah, yeah, yeah, yeah
Its alright, its alright
Be alright
[Ending]
Live it up, live it up, live it up, yeah!
Live it up, live it up, live it up, yeah!
Live it up, live it up, live it up, yeah!
