I Just Want You To Know

Relient K

Alright, I'm a human being
Being happy and sane
Oh, but human beings
We all need to quit being inhumane
Yeah, I don't wanna say I'm right
I just want you to know
I don't wanna say I'm right
I just want you to know
I've a reputation for replacing
My confidence with fear
But I'll be untiringly embracing
The love that I've found to be sincere
I don't wanna say I'm right
I just want you to know
I don't wanna say I'm right
I just want you to know
To know that
There was a man who lived one day
With holes in his hands as some do say
And I believe we'd be friends if we talked and prayed
So we do, that's why we do
I don't wanna say I'm right
'Cause I just want you to know
I don't wanna say I'm right
I just want you to know
Yeah, I don't wanna say I'm right
'Cause I just want you to know
I don't wanna say I'm right
'Cause I just want you to know
Yeah, I just want you to know
I just want you to know
