Sleep

Bang Gang

Walking in my sleep at night
And you canÂ´t have me
CanÂ´t have me
EverWalking in my sleep
So you canÂ´t have me
Disappeared, gone
You have gone out of my dreamsWalking in my sleep
With my flesh in bed
Still you are there
Think youÂ´ll never let me beWalking in my sleep
So you canÂ´t have me
Disappeared, gone
You have gone out of my dreamsWalking in my sleep
With my flesh in bed
Still you are there
Just get the fuck out of my dreamsWalking in my sleep at night
And you canÂ´t have me
CanÂ´t have me
Ever
