# White Christmas Makes Me Blue (Album Version)

## Randy Travis

I sent out... Seasons greetings
To all our same old friends
The tree is trimmed and in your favorite place
I decked the halls with holly
Built a snowman in the lane
I sang jingle bells and a one horse open sleighBut
White Christmas makes me blue
Every time I hear it play I think of you
I remember all the good ones we knew
Oh... White Christmas makes me blueI'm trying to be happy
I know you'd want me to
Being sad at Christmas time ain't right
I'm keeping our traditions "wishing you were here"
On Christmas eve I still sing silent nightBut White Christmas makes me blue
Every time I hear it play I think of you
I remember all the good ones we knew
Oh... White Christmas makes me blue
Oh... White Christmas makes me blue...
