All of the smarter kids, they stay inside
But out in the pouring rain
You're kicking me with that look of sheer disdainThe fat controller man
He doesn't understand, he's my biggest fan
So I'll stay here on the floor
It's better to be ignored than to be adoredChurch spires ticking
Hose pipes hissing
Church spires ticking
Hose pipes hissingDon't want to smother you
Just want you to be the mother of my children
Don't want to smother you
Just want you to be the mother of my children
Now will you do?Good morning lucky man
Hope you enjoyed your sojourn in Japan
It's such a perfect scene
Back here in Golders Green, cut end of dreamChurch spires ticking
Hose pipes hissing
Church spires ticking
Hose pipes hissingDon't want to smother you
Just want you to be the mother of my children
Don't want to smother you
Just want you to be the mother of my children
Now will you do?
