Data & Picard

Pogo

You know, back when I was in the academy, we would follow every toast with a song!(Klingon singing)Tis better to have loved and lost, then never to have loved at all!
Come cheer up, my lads
Come cheer up, my lads
Tis better to have loved and lost
Tis better to have loved and lost
Captain Jean-Luc Picard
Then never to have loved at all
Of the Federation starship
Come cheer up, my lads
Come cheer up, my ladsTis better to have loved and lostCaptain Jean-Luc Picard

lockWhen I have plucked the rose
Tea, Earl grey, hot
Longing still, for that which longer nurseth the disease
In faith, I do not love thee
Shall I compare thee to a summer's day?
When I have plucked the rose
Plucked the rose
Longing still, for that which longer nurseth the disease
In faith, I do not love thee
Shall I compare thee to a summer's day?Tis better to have loved and lost (ba-ba-ba ba-ba-ba-ba)
Then never to have loved at all (ba-ba-ba ba-ba-ba-ba)
Come cheer up, my lads (ba-ba)
Come cheer up, my lads (ba-ba)
Tis better to have loved and lost (ba-ba-ba ba-ba-ba-ba-ba-ba)Incredibly unbroken sentence
Moving from topic to topic
No one had a chance to interrupt, it was quite hyptonic
