Gun

Revolution Smile

I'm at best, when I'm a mess
I cannot wait to see you undress
I'm so pretending not to look
But I cannot help myself'Cause your the one that gets my gun
Your the one that gets my gunIt comes to this your body is bliss
You make me shine into a moment
And underneath the covers
Is where I want you to be now'Cause your the one that gets my gun
Your the one that gets my gun
Your the one that gets my gun
Your the one that gets my gun
