In Your Eyes

In your eyes
I see the love I have inside
ooh you've given me
so much pleasure
I never thought
I could love unselfishly
t'ill you bestowed upon me
all your treasures

And all my life
I needed you
you came for me
and you saved my soul

Chorus

In Your Eyes
I can see
all the love you've given me
I can see your smile
and I know I am alive
all my dreams have come true
when I look into your eyes it's true
I can see your smile
and I know am alive
In Your Eyes
I hope you know that I love you
In Your Eyes
You mean everything to me

Verse 2

You challenged me
to be the best that I can be
just what I needed
and just in time

you saved me
from some painful misery
just what I needed
I gave up my crimes

Graceful as your are
you're both my angels
(both my angels)
you came for me
and you saved my soul

In Your Eyes
I can see
all the love you've given me
I can see your smile
and I know I am alive
all my dreams have come true
when I look into your eyes it's true
I can see your smile
and I know am alive
In Your Eyes
I hope you know that I love you
In Your Eyes
You mean everything to me
In Your eyes
I hope you know
that I'd do anything for you
I love you more than anything
