Juicy J

These hoes
they for everybody,
pass them all around
they at every party,
they ain't gone be loyal, not for anybody
still I love these hoesThese hoes
they for everybody,
oh that was your girl? Oops, I'm Sorry
you don't Bring her around, there's just too much money
yeah I love these hoesshes a super freak, super freak
met her in liv last week
she was in bed with me
in V.I.P. Then she left with me
she said she fucks with breezy
do I wanna keep it?
nah that hoe too sleezy
now she fuck with yeezy
don't believe me? That shits all over TVNow she work the pole
but you ain't know, that's how she make her dough
seen her in the yo,
she was so dough, forgot we met before
she says she fucks with Drake, I ain't surprised
All these hoes fucking with Drake ,
I asked her why she out this way, she say she on a date
then left with trey
