Motherless Child

Conspirare

Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
A long way from home
A long way from my home
Believe me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my home
Sometimes I feel like my hopes are in vain, oh yeah
Sometimes I feel like my hopes are in vain, baby
Sometimes I feel like my hopes are in vain
No way to get home, no no
No way to get home
Believe me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
No way to get home
Sometimes I feel like a motherless child, yeah
Sometimes I feel like a motherless child, won't someone help me now
Sometimes I feel like I'm almost gone
A long way from home
A long way from my home
Believe me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my home
Sometimes I feel like a motherless child, tell me
Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
A long way from home
A long way from my home
Believe me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my home
Believe me, believe me, believe me, believe me
A long way from my home
Believe me, believe me, believe me, believe me
A long way from my home
