Pump The Brakes

Dave Hollister

Ooh yeah, hey, hey
She's got so much potential
She chooses to use her body
Instead of usin' her mind, oh oh whoa oh
I be weakest, I took advantage of her without knowin'
I should send her on her way, yeah, ooh[Chorus]
You need to pump the brakes
I don't know you like that
I need a chance to get to know you
Oh, won't you let me get to know you?
Girl for Heaven's sake, why you actin' so fast?
You make it way too easy, way too easy[Chorus]Don't think that it had not crossed my mind too
A time or two, 'cause I would be lyin' to you, hey ay
See I can't and I won't give in
We just need to be good friends
'cause I don't know where you been
Ay, yeah yeah yeah[Chorus: x2]I seen where you're headed for before
Girl, I done been down that road
(Girl think about it, better think about it, just think about it)
Beat you up to 'til you get home
(Girl think about it, better think about it, girl think about it)
See I'm just lookin' out for you, for you
You need to...[Chorus until fade]
