

May This Be Love

Emmylou Harris

(Jimi Hendrix)Waterfall
Nothing can go wrong
Nothing can go wrong
My sweet waterfallWhen I go
When I go down deep
I want you here with me
My sweet waterfallI can see
A rainbow calling me
Through your mystery
My sweet waterfallWaterfall
For a million day
Fall with me for a million days
My sweet waterfallWaterfall
Nothing can go wrong
Nothing can go wrong
My sweet waterfall
Nothing can go wrong
My sweet waterfall
