FRZZN (feat. Teflon Sega)

OZZIE

We can get high if ya want
Blowin purple to the sky if ya want
I'm tryna make ya mine if ya want
But i know where ya go when ya gone
We can lay low if ya want
I'll roll da whole quarter O if ya want
Tryna get to know what ya want
Cus youre the kinda that gets what ya want
So now youre ya giving me three hundred
Reasons i should get free from ya
But i can't get no sleep running
Through all the fantasies coming
Getting used this hangover
Cus fucked up is my new sober
Im always one more day closer
Til the moment i freeze over
You got me Frozen
Colder than ice
Bitch you don't love me
Tell another lie
Frozen
Three forty-five hit me with the text
In the middle of the night
Frozen
Zero below
I could die tonight
When I'm way out of my zone
You got me Frozen
Head to toe, bound to happen when you love these hoes
At my place if ya want
We can speed up with the pace if ya want
I ain't never had to chase but its on
You gonna put me in my place before long
So now ya giving me three hundred
Reasons i should get free from ya
But i can't get no sleep running
Through all the fantasies coming
Getting used this hangover
Cus fucked up is my new sober

Im always one more day closer
Til the moment i freeze over
You got me Frozen
Colder than ice
Bitch you don't love me
Tell another lie
Frozen
Three forty-five hit me with the text
In the middle of the night
Frozen
Zero below
I could die tonight
When I'm a way out of my zone
Frozen
Head to toe, bound to happen when you love these hoes
Body to the floor
Heart made of snow now
She just come and go
I been keeping score now
Maybe someday she gon let go
Spend all my money got no more
I let it go
Yeah let it snow
You got me Frozen
Colder than ice
Bitch you don't love me
Tell another lie
Frozen
Three forty-five hit me with the text
In the middle of the night
Frozen
Zero below
I could die tonight
When I'm a out of my zone
You got me Frozen
Head to toe, bound to happen when you love these hoes
