

Tipsy

Brokencyde

Oh yeah, the party won't stop until we go yeah
This Hennessy has got me feeling so trashed
I'm feeling kind of out of control
Like i can't help it
(i can't help it, I can't help it)

Oh yeah, this ecstasy just makes me want you so bad
I got these rave bitches screaming oh yeah
Lets get this party out of control like we can't help it

Girl turn the lights down (down)
And the speakers up(up)
Cause we gonna get a little tipsy when we hit the club (club)(x2)

Let's get this mother fucker (Tippy, Oh yeah)
We gonna get this party (Tippy, Oh yeah)
Let's get this mother fucker (Tippy, Oh yeah)
We gonna get this party (Tippy, Oh yeah) (x2)
(Let's get crunk baby)

Oh girl you got me twisted
The way she wear her lipstick
Black hair and red extentions
She got me so addicted
The way she move it, don't you wish you get that booty like Ohhh!
She gots me feeling kind of hard up in my private parts
That means my penis is hard
Girl we can leave from this bar
The backseat of my car
Girl we can do it right now

Girl turn the lights down(down)
And the speakers up(up)
Cause we gonna get a little tipsy when we hit the club(club)(x2)

Let's get this mother fucker (Tippy, Oh yeah)
We gonna get this party (Tippy, Oh yeah) (x2)

Let's get this mother fucker (Tippy, Oh yeah)
We gonna get this party (Tippy, Oh yeah)

Let's get this mother fucker (Topsy, Oh yeah)

We gonna get this party (x2)

(Let's get crunk baby)

Girl turn the lights down(down)

And turn the speakers up(up)

Cause we gonna get a little tipsy when we hit the club(club) (x4)

Let's get tipsy baby (x7)

Let's go!

We gonna get this party, Lets get this mother fucker(x4)

(Phat J synth solo)

Let's get tipsy baby(x3)

Lets go!

We gonna get this party, Lets get this mother fucker(x3)

Lets get CRUNK baby
