Stand By You

Darren B

Damn you, I think I can feel something special.
Going on, something that is happening 'tween us.
I feel, more than you could ever imagine.
It's so clear, I want you to know...
(Chorus)
I'm gonna stand by you.
If you want me to.
I'm gonna stand by you.
If you want me tonight.
I will stand by you.
Cause I want to be with you.
I'll stand by you (stand by you).
Stand by, stand by you.(x4)
I really wanna be with you,
I really wanna be with you.
Damn you, don't you know it's over together,
Us two, nothing's gonna come in between us.
I know we're going two different directions
Sometimes, but you will always be on my mind.

And if you think you ain't got nobody,
I just want you to know...
(Chorus)
Stand by, stand by you.(x4)
(Chorus)
Stand by, stand by you.(x4)
Cause I want to be with you,
I'll stand by you.
Cause I want to be with you,
I'll stand by you.
Through the sun, and through the rain.
I'll be there for you.
Through the sun, and through the rain.
Be there, I'll be there for you.
(Chorus)
