Hate

Plain White TÂ´s

Love love, love love love loveYou were everything I wanted
You were everything a girl could be
Then you left me broken hearted
Now you don't mean a thing to meAll I wanted was your
Love love, love love love loveHate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about youBrought you around and you just brought me down
Hate is a strong word
But I really, really, really don't like you
I really don't like youThought that everything was perfect
Isn't that how it's supposed to be?
Thought you thought that I was worth it
Now I think a little differentlyAll I wanted was your
Love love, love love love loveHate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about youBrought you around and you just brought me down
Hate is a strong word
But I really, really, really don't like youNow that it's over you can't hurt me
Now that it's over you can't bring me downOh oh, oh oh, oh oh, oh oh oh
Oh oh, oh oh, oh oh, oh oh oh
All I wanted was your
Love love, love love love loveHate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about youBrought you around and you just brought me down
Hate is a strong word
But I really, really, really don't like you(Oh oh, oh oh, oh oh, oh oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh oh)
I really don't like you
(Oh oh, oh oh, oh oh, oh oh oh)
