Lifted

Naughty Boy

Feel like a superhero, what type of dreams are these Im as high as a eagle, Im taller than the trees And I cant turn back, I tell my heart relax Late at night, in the dark, I close my eyes And suddenly everything is goneIll be lifted, lifted, lifted Reach up for the light Ill be lifted, lifted, lifted Devil cant catch me tonight Im not afraid, and Im not alone Even if Im dancing on my own Ill be lifted, lifted, liftedAll I hear is music, Im losing all control I have no excuses, cant say I wasnt told If the sky turns black, Ill tell my heart relax Late at night, in the dark, I close my eyes And suddenly everything is goneIII be lifted, lifted, lifted Reach up for the light Ill be lifted, lifted, lifted Devil cant catch me tonight Im not afraid, and Im not alone Even if Im dancing on my own Ill be lifted, lifted, liftedFeels like I finally finally found it More than I, than I could have ever imagined After all this waiting and this holding on Suddenly everything was goneIll be lifted, lifted, lifted Reach up for the light Ill be lifted, lifted, lifted Devil cant catch me tonight Im not afraid, and Im not alone Even if Im dancing on my own Ill be lifted, lifted, lifted
