RED PLANET

Johnny Arthur

[All]In your heart I found mine
Fill me with your life
Oh u make it hot on your red planet
Turn it up on your red planet
[Jesy]
I thought my love was bittersweet
Broken into pieces but now back on my feet
Thanking you for letting me in to your galaxy
Bum da dum bum
My heart beats for you
And I do explore things
The way you make me feel like I can never explain
You make me make me make me make me feel
That your love is real yeah
[All]In your heart I found mine
Fill me with your life
Oh you make it hot on your red planet
Turn it up on your red planet
In your eyes I see truth
I?m so connected to you
Can I make a stop on your red planet?
Turn it up on your red planet
[Leigh-Anne]Blow me out of this world tonight
Show me I?m your girl tonight
Give me all your love tonight
Red red planet (x2)
[T-Boz]I knew I knew I knew your love was truth
I see the stars the sun and the moon when I?m with you
Loving you loving you
It won?t leave me alone
It?s like a ghost hunting me
Now it?s in my bones
[Jade]Never knew my perfect one could be so sweet
Loving you and you and me
Now that?s twice as deep
[T-boz]That's what i love about us 2
[Both]?Cause I see me and you yeah

[All]In your heart I found mine

Fill me with your life
Oh you make it hot on your red planet
Turn it up on your red planet
In your eyes I see truth
I?m so connected to you
Can I make a stop on your red planet?
Turn it up on your red planet
[Leigh-Anne]Blow me out of this world tonight
Show me I?m your girl tonight
Give me all your love tonight
Red Red planet (x2)
[Jade]I wanna be your only girl and your best friend
[All]I never want it to end
I?ll live this over and over again
And again and again
[Perrie]
And use your body language
Don?t say a thing
[All]And do it over again
And do it over again
And do it over again
Until the end
[All]In your heart I found mine
Fill me with your life
Oh you make it hot on your red planet
Turn it up on your red planet
In your eyes I see truth
I?m so connected to you
Can I make a stop on your red planet?
Turn it up on your red planet
[Leigh-Anne]Blow me out of this world tonight
Show me I?m your girl tonight
Give me all your love tonight
Red Red planet (x2)
Red Red Planet
Red Red Planet
Red Red Planet yeeah
