Changing Partners

Elvis Costello

We were dancing together
To a dreamy melody
When they called out, "Change partners"
And you waltzed away from meNow my arms feel so empty
As I gaze around the floor
And I'll keep on changing partners
Till I hold you once moreThough we danced for one moment
And too soon we had to part
In that wonderful moment
Something happened to my heartSo I'll keep changing partners
Till you're in my arms again
Oh my darling, I may never
Change partners againThough we danced for one moment
And too soon we had to part
In that wonderful moment
Something happened to my heartSo I'll keep changing partners
Till you're in my arms again
Oh my darling, I will never
Change partners again
Oh my darling, I will never
Change partners again
