Light It Up (feat. Jo Mersa)

Morgan Heritage

Selassie I know dreadlocks
Right yah now I & I ah go light up the world
Aaaah yea yea
Selassie I knowListen reggae music
Free up to reggae musicâ€Ž
This is reggae music now
(Repeat)Light up the incense
â€ŽLight up di ishence
Light up di lighters mek we light up the world yea
Inhale the fragrance free ur mind and leggo bad mind
And mek all evil get purged yea
Don't get caught in the road block
Everyone one accord is the slogan yea
Love is the potion that confirms your notion that it's one love I & I ah deal with for sureNow there's a time and a place
For everything
And this is the time
To free up your mind, body, soul, heart everything
Let the music take control of you give u freedom to do your thing
And play your part in lighting up the world
And play your part in lighting up the world
The future can be brighter
Lift us much higher, higher, higherEveryone fi come with
With a heart of love and mek we light it up
Illuminate the world and mek we light it up
Come with
With a heart of love and mek we light it up
Light it up
(Repeat)Darkness come to light when inna mi khaki call me Sparky
I & I do more than talk it
And Morgan Heritage walk it
Proud to love how we part is
Bingi drum weh we claating
We kicking it off like Huaraches
Nah wast nuh time fi no claffy, So...
Well pass mi di torch
Ah who mi fi scorch
Ah inna mi heart
Good inna mi heart

Mi top in mi class
And fast nuh ras
How babylon pass
Ah who dem ah talk
Di likkle red Rasta nuh get pass
Dem inna di past, dem fassy deh lossNow there's a time and a place
For everything
And this is the time
To free up your mind, body, soul, heart everything
Let the music take control of you give u freedom to do your thing
And play your part in lighting up the world
And play your part in lighting up the world
The future can be brighter
Lift us much higher, higher, higherEveryone fi come with
With a heart of love and mek we light it up
Illuminate the world and mek we light it up
Come with
With a heart of love and mek we light it up
Light it up
(Repeat)
