Punch In The Face (live)

Frenzal Rhomb

Middle class white boys trying hard to annoy
All we really needed is a ticket to ride
Fighting with no-one at all that's ok
We've got no balls
Someone needs to sort us out
And make benny cryAll we need is a punch in the faceLary Emdur is OK compared to us
He makes the grade
Self-depreciation is important for some
We deserve a beating can someone teach a lesson
All that they'd be doing is just having some funAll we need is a punch in the face
