Cadence

//Fractures

Write down,to remind yourself on how it can be
Heartstrings, you're tugging at my heartstrings
Helpless, I have become so helpless to your touch
Touch me somehow
Restless, you leave me restless
Breathless wait for me

The closer I come to you
The closer I am to finding God
You're a miracle to me
The closer I come to you
The closer I am to finding God
You're a miracle to me

Burning, like Joan of Arc to see you, just to feel you
Cadence, I'd dance with the dead cause I believe
Yes I believe, yes I believe
Stifle, Paul said that you stifle him
Again and again and again

And if these are my parting words
Then this, my last request
Hold me here, until I sleep
If I burn, then I burn for you
