

On The Street Where You Live

Bobby Darin

I have often walked
Down this street before
But the pavement always
Stayed beneath my feet before
All at once am I
Several stories high
Knowing I'm on the street where you live

Are there lilac trees
In the heart of town?
Can you hear a lark in any other part of town?
Does enchantment pour
Out of every door?
No, it's just on the street where you live

And oh, the towering feeling
Just to know somehow you are near
The overpowering feeling
That any second you may suddenly appear

People stop and stare
They don't bother me
For there's no where else on earth
That I would rather be
Let the time go by
I won't care if I
Can be here on the street, where you live

And oh, oh ,oh the towering feeling
Just to know somehow you are near
The oh so overpowering feeling
That any second, you may suddenly appear

People stop and stare
They don't bother me
For there's no where else on earth
That I would rather be
Let the time go by
I won't care if I
Can be here, on the street ahhhh...I'll be here on the street...

Got to be here on the street, where you live
